Philosophy of International Relations

Course Information
Credit hour : 2 credit hours
Course requirement : -
Time : Thursday, 13:00 – 14:40 am.
Place : F1. 206

Course Description and Objectives
Philosophy of International Relations discusses philosophy of science and International Relations as a science in modern era. It discusses various issues on methodology, principles and reasons behind the construction of International Relations as a science.

At the end of the course students will have capability in explaining International Relations as a modern science ontologically, epistemologically and axiologically. Students will also aware that today’s International Relations is a product of Western tradition and they should compare and examine it with Islamic perspective.

Textbook and Supplies
